

Skin and Wound Care Basic Outline

Course Objectives:

By the end of the course, you will be able to

- Develop an understanding of healthy vs impaired skin integrity, particularly in the elderly or medically compromised individual.
- Be able to identify the ‘warning signs’ of skin breakdown and strategies to prevent skin breakdown.
- Understand the key dressing types and how/when they should be used/changed.
- Review the importance of documentation and communication with other members of the healthcare team.
- Engage in opportunities to share/learn from others in a safe, respectful environment
